

NEIGHBORHOOD NIGHT OUT

AUGUST 3, 2004

Tiffany Park Homeowners enjoyed a get-together at Tiffany Park on August 3rd, the national neighborhood night out. Forty families registered with eighty to one hundred friends and family getting acquainted, eating Tuscany's Ice Cream, and drinking lemonade and Chicken Express iced tea.

We were visited by the Bryan City Manager, Mary Kay Moore, Police Chief Mike Strobe, Neighborhood Services Manager Ronnie Jackson, and several other police officers. Junior Police Officer Badges were provided for the children, and were a great hit! The Bryan Fire Department arrived with a fire truck and an EMS van. The children were thrilled with the opportunity to tour these and see all their equipment.

President Keith Murray addressed the gathering briefly, pointing out that this was the first time and the beginning of a tradition. Keith reminded everyone that this was a great opportunity for members of one Phase to meet and visit with members from another Phase of the Tiffany Park Development.
